

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF LOUISVILLE)	
GAS AND ELECTRIC COMPANY FOR AN)	CASE NO.
ADJUSTMENT OF ITS ELECTRIC AND GAS)	2018-00295
RATES)	

ORDER

This matter arises upon the motion of Kentucky School Boards Association (KSBA), filed October 29, 2018, for full intervention. The motion states the KSBA has an interest in the proposed rates and changes in pricing structures, including the proposed elimination of the School Power Service (SPS) and School Time-of-Day (STOD) pilot rates. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission, being otherwise sufficiently advised, finds that KSBA should be granted full rights of a party in this proceeding. The Commission further finds that the SPS and STOD tariffs explicitly state that the pilot rates expire upon the filing of a base rate case and those pilot rates did expire on September 28, 2018, upon the filing of the rate application in this case.

IT IS HEREBY ORDERED that:

1. The motion of KSBA to intervene is granted.
2. KSBA shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. KSBA shall comply with all provisions of the Commission's regulations, 807 KAR 5:001, Section 8, related to the service and electronic filing of documents.

4. Pursuant to 807 KAR 5:001, Section 8(9), within seven days of entry of this Order, KSBA shall file a written statement with the Commission that:

a. Certifies that it, or its agent, possesses the facilities to receive electronic transmissions; and

b. Sets forth the electronic mail address to which all electronic notices and messages related to this proceeding should be served.
